

Technical Requirements

- One wireless handheld high-quality microphone on a straight stand,**
- One platform at least 8'x10' and raised at least 10" off the ground,**
- Lighting so that any audience member would be able to clearly see the stage,**
- Stairs into the audience,**
- The audience NOT distanced from the stage by a dance floor,**
- One table 6' long,**
- One backless stool or folding chair,**
- One additional chair.**
- A sound system with a mixing board capable of receiving an auxiliary input.**

If professional lighting is available, a standard stage wash, spotlighting the center of the stage and a well-lit room are the absolute ideal.

SHOW TIME:

Audience must be seated and able to see the stage clearly. If dinner is being served in banquet style, the show will begin after dessert has been served and all service has concluded.
